Thanks for visiting Gracie's! We are a diner that serves made-from-scratch comfort food. We like to do things our own way here which is why we take the extra time to create ingredients that are often overlooked, including (but not limited to!) our breads and desserts, sausage and bacon, deli meats, American cheese, and even our own condiments and soda syrups— no Pepsi or Heinz here! In addition to creating a scratch made menu, we proudly source many of our ingredients from small farms in our area. Our philosophy is simple; make familiar food that tastes great by using fresh ingredients. We hope you enjoy our restaurant as much as we enjoy serving you.
